## STORY

# BOB BILBY

What's Bob getting up to over the weekend?

1

It's Friday and it's Bingo's turn to bring Bob Bilby home from kindy. "He's a bilby and his name is Bob," she tells Dad. "Nice to meet you," Dad says to Bob. "Let's get you back home and show you around."

2

## BACK AT HOME...

The family are looking through Bob's photo book. "Bob stays with us for the weekend and we take photos of all the fun stuff we get up to, and then we stick them in the Bob Bilby book!" Bingo explains.

It looks like Bob has had lots of fun with the other families. "I hope we can show you a good time too," says Dad.

3

Bingo and Bluey start to take photos. "Bob, this is the tablet," Bluey says. "You can take photos with it, and watch cartoons and play games." The girls start showing Bob one of their favourite tablet games...

Mum takes a photo for the book...

4

That afternoon, the girls watch cartoons on the way to the supermarket. "Don't you want to teach Bob some car games?" Mum asks.

Mum takes another photo.

At the supermarket, the girls show Bob a cartoon on the big telly.

Dad takes a photo on his phone.

## LATER...

- 6 They put the photos in Bob's book but... "These are just all of Bob watching cartoons," Bluey says. Bingo is upset. "This is the most boring time Bob's had in the whole book. I'm the worst friend Bob's got. He's never going to want to visit again," she sniffs.

- 7 They decide to do exciting stuff and put all the phones and tablets away. "But how are we going to take a photo without the tablet?" Bingo wonders. "Leave that to me," Dad says and he gets out his old camera.

8

Bob and Bingo's family end up having the best afternoon!

They go bike riding...

...and up and down on the boingy unicorn...

...and make funny faces...

...and watch fireworks in the evening.

9

Then they put all the special photos into Bob's book.

10

On Monday, Bingo proudly shows the Bob Bilby book to her class and tells them about their weekend. "It looks like Bob has had a wonderful time staying with you," Mrs Retriever says.

"Thanks for coming to visit me. I hope you'd like to visit me again. Goodbye!" Bingo says as she gives Bob a great big hug.

# BOB BILBY

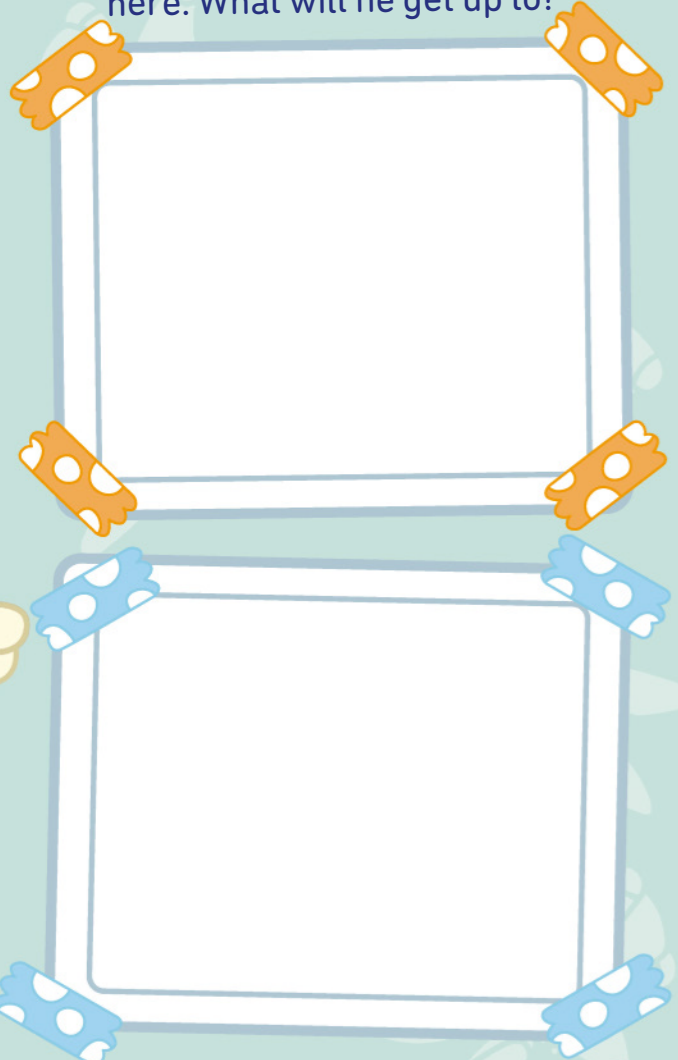

He's a Bilby, and his name is Bob!  
(Bob's a puppet... he's not actually real.)\*

\*But fold his ears down when you say that, because he thinks he's real.

Bob is Bingo's  
classroom  
puppet. He's  
really been  
around...

Create your own Bob scrapbook  
here. What will he get up to?

What would you do with your own bilby?  
**Draw** a piccie or stick in a photo with your  
bilby when you've finished making him!

He's a bilby and his name is

### YOU WILL NEED:

- an old sock (clean, not smelly)
- safe glue, sticky tape and scissors
- a grown-up to help

### BOB-TIP

Put the sock over your hand and make your hand into this shape. Ask someone to stick the bits on for you.

Finish the next page before you snip.

## ARMS

Snip out the little arms and stick them onto the sock on either side of your wrist.

(Roll sticky tape so it's double-sided and use it to attach the bits.)

## EARS

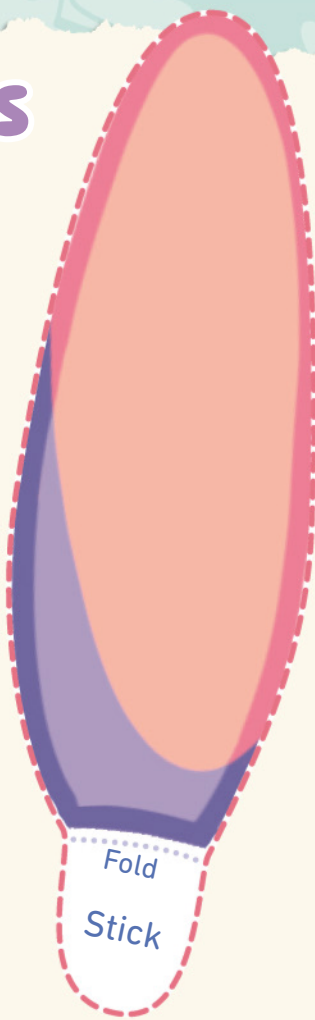

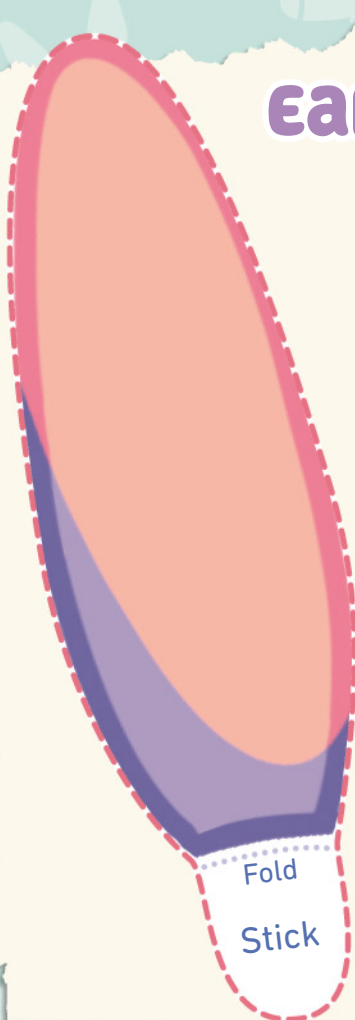

Snip out and stick the two ears on top of the sock.

## Face

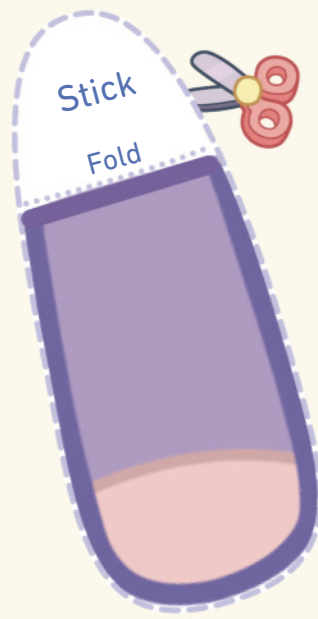

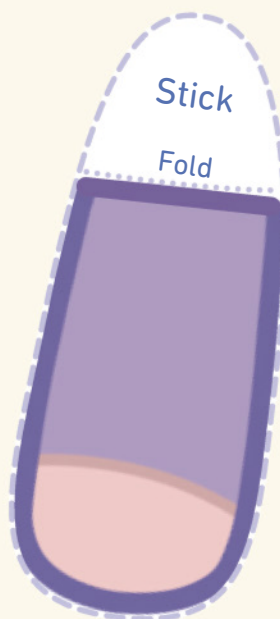

Stick on the eyes and nose. Say hi to your very own bilby! Why don't you show him around the place?

# DUCK cake

Oh, duck cake! Look at these tasty duck cake cupcakes.

## THINGS YOU NEED:

- cupcakes (homemade or shop-bought)
- buttercream icing
- small round lollies
- black icing pen or licorice
- popcorn & strawberries
- potato chips
- a grown-up to help

**1** Smooth the icing over the cupcakes (add a bit of feathery texture with a fork if you like).

**2** Now you can push your yummy bits into the icing! Lollies for eyes, popcorn for hair, chips for the beak and a strawberry (sliced in half) for the bow tie.

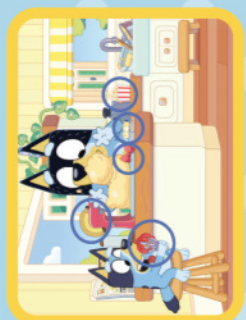

**3** Finish off with circles of black icing or licorice around the eyes. Don't worry if it looks a bit bodgy!

Bluey helped Dad make a big duck cake... by licking the whisk. Can you spot 5 differences between these pics? Pop on an arrow stickie for each one.

# EASTER TREASURE

Try this, chooks – create the best ever Easter hunt!

## WHAT TO DO:

**1** Hide some Easter treasure\* somewhere at home, or in the garden.

\*This could be anything... choccy eggs, a cuddly toy or even some carrots!

**2** Doodle a map to find them here. Mark on some 'X's to show where the treasure is.

(Draw extra things like a rug, a bed, or a sandpit – anything to help your hunters search!)

**3** Give the map to your friends or family and see if they can work out where you've hidden the Easter goodies!

Your map could look like this:

## START

(Why not walk your Bluey and Bingo figures through the map first?)

# Map

You could hide  
your treasure in  
the backyard or the  
bedroom... maybe  
not the stinky  
toilet though!

## TOP-TIP

Use a pencil so you can rub it out and doodle  
a new hunt to play over and over again.

# BUG INSPECTORS

Aww, bug inspectors Bingo and Lila have found a beautiful caterpillar!

Help the little fella through the water slide maze, but watch out for other bugs!

**START**

**OUTTA THE way!**

**WATCH OUT!**

**ARGH!**

**FINISH**

Now make your very own caterpillar. Just snip out the paper chain strips below, loop them together and stick shut to make a chain. Stick the head and tail to opposite ends of the chain. Attach straws or pencils to the head and tail and watch your caterpillar wiggle!

# FLOWERS

Create a flowery crown just like Bluey, Bingo, Muffin and Socks.

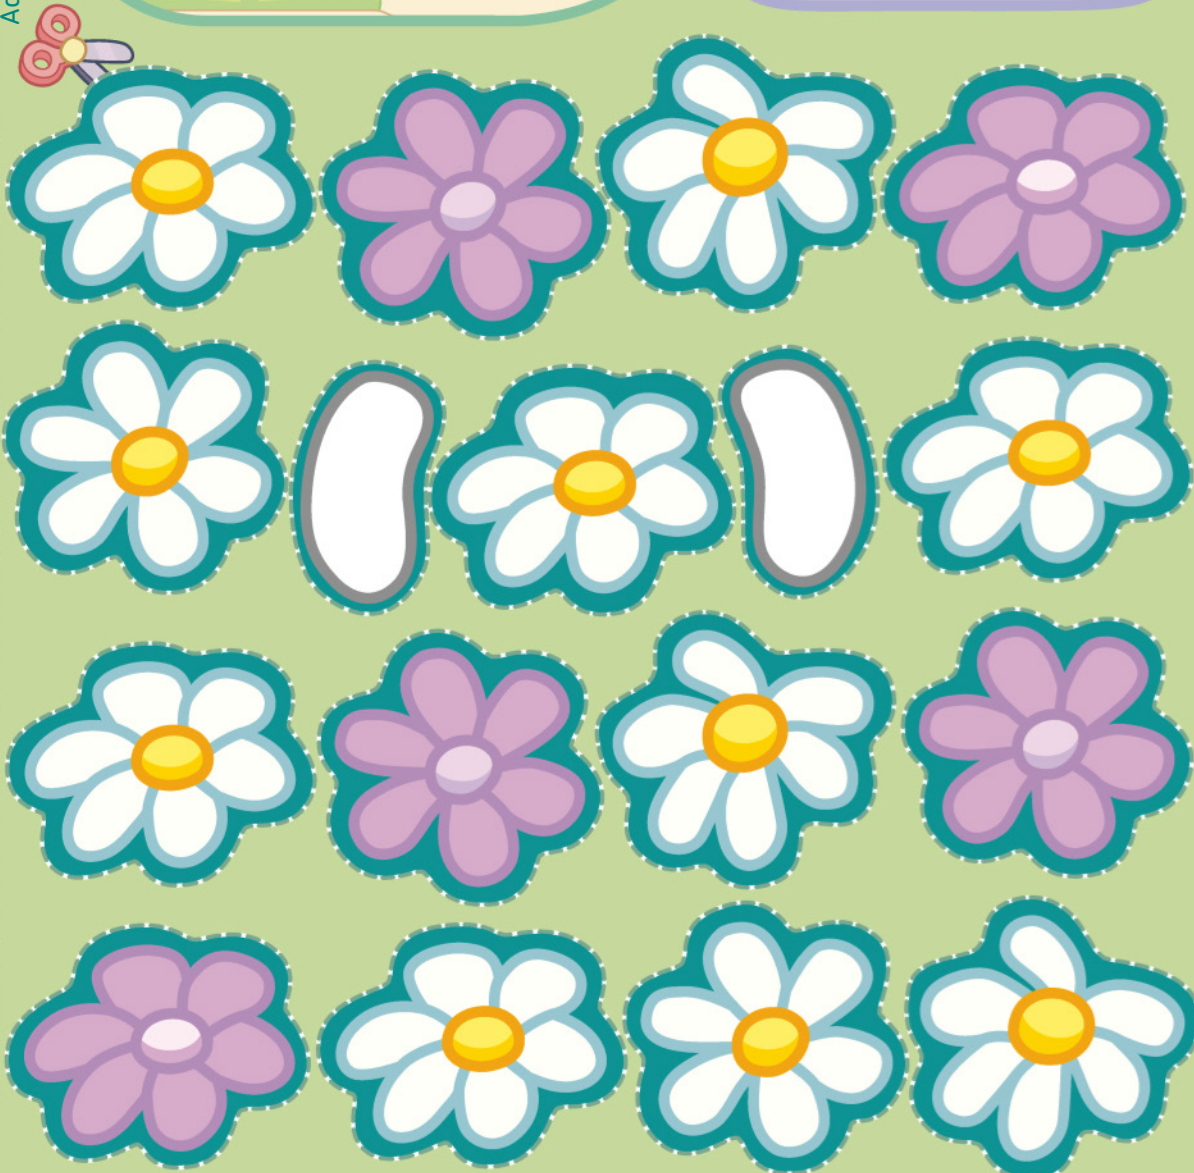

## FLOWER CROWN

Snip out the strips, flowers and eyebrows. Stick the flowers to the strips, add the eyebrows last. Then wrap around your head and tape the ends together. Beautiful!

Add extra strips of paper to fit around your head.

# BOUQUET

(PRONOUNCED 'BOO-KAY')

That's a fancy word for 'bunch'!

**1** Colour in the flowers below then cut out the green bit along the dashed lines.

**2** Fold along the dotted lines to make peaks and folds, like waves.

**3** Tape the bottom together so you can hold it. Too easy!

Now shout  
**"I WANT TO BE a  
FLOWER GIRL!"**

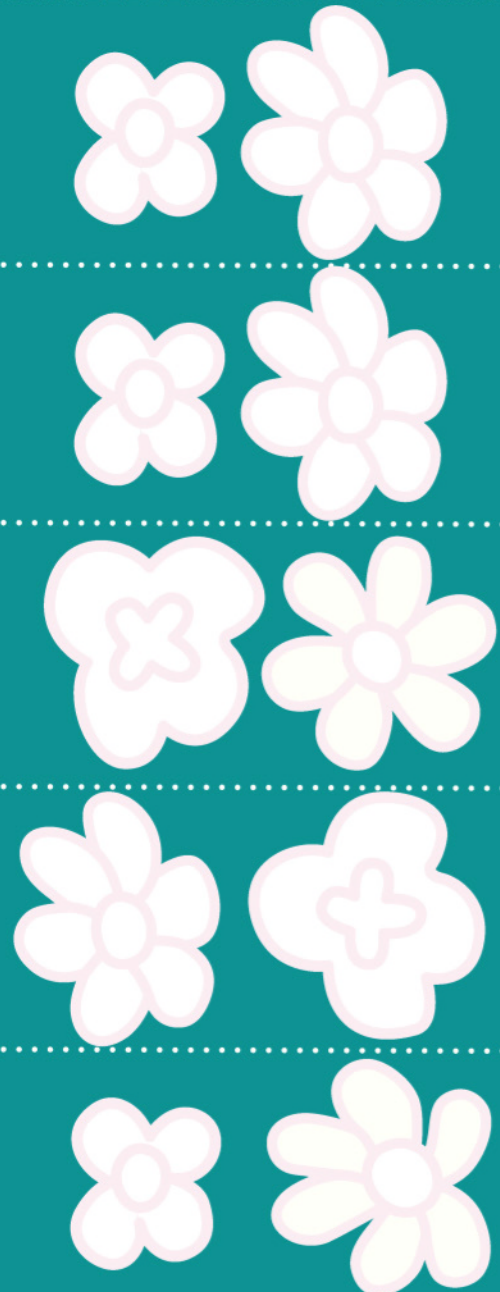

Fold backwards.

Fold the other way.

Fold backwards.

Fold the other way.

Make your own egg carton...

# FAIRY GARDEN

## YOU WILL NEED:

- 2 egg cartons
- extra cardboard & paper
- safe glue, paints & string
- a grown-up to help

**1** Paint one of the egg cartons blue at the top (that's the sky) and green at the bottom (that's the grass). Add strips of green paper to make it really grassy.

**2** Snip out some egg carton bits from the other box – these are for your little houses. Cut out the fairy houses on the opposite page and stick them on the front.

**3** Add the other bits and bobs and the bugs. We helped our bugs fly with concertina strips of card and string.

**4** You can make your garden however you like! How about some twigs and leaves from outside? What will happen in your fairy garden?

## TOP TIP

Add your Bluey and Bingo figures to your garden. Can you write a letter to the fairy for them?

Bluey  
made a fairy  
garden with  
her buddy,  
Mia (she's 12).

Choose the  
things you  
want in your  
garden and  
snip them out.
